

# RockCreeke™

## Classic Carriage House Style

RockCreeke gives you time honored styling and wood appearance without the high maintenance associated with a wood door. Your RockCreeke door starts with a high quality insulated steel door and is overlayed with a highly engineered, long-lasting vinyl capstock material, duplicating the appearance of classic wood, without the hassles of wood. With Raynor's ColorWave™ post paint system available, choices are almost endless, giving your home a perfect match with unsurpassed curb appeal. RockCreeke is the perfect balance between unrivaled beauty and enduring quality.

# RockCreeke™

Designed to provide unsurpassed character in a maintenance-free design, Raynor RockCreeke overlay doors feature an environmentally stable trim board material. With a long-lasting vinyl capstock, this trim board material has an attractive appearance that holds up over time. Best of all, the material technology can utilize “reclaimed” wood fiber and vinyl from post production processes, helping to save natural resources. And, with an R-value of 13.0, RockCreeke doors have durable 2” Neufoam insulated base door sections for thermal efficiency and maximum structural integrity.

1. baked-on finish
2. epoxy primer
3. galvanized layer
4. high-strength steel
5. polyurethane insulation
6. high-strength steel

RockCreeke, Swing-Out, White over Barn Red with 3 over 3 clear glass

## Colors\*

If overlay trim boards are painted, select a color with a Light Reflective Value (LRV) of 50 or higher for doors that receive direct sunlight (east, west or south facing). Refer to the Sherwin-Williams color chart for LRV.

### Standard Base Colors

### Optional Board Color

### Standard Board Color

\* The swatches shown on monitors and printed materials may vary from the actual color. For a true representation of the color, visit your local Raynor Dealer.

\*\*Black and charcoal colored steel doors come standard with a Cool Chemistry® paint finish to protect from extreme heat. For environments where extreme heat and sunlight exposures are constant, black and charcoal colors are not recommended.

### Optional Post Paint Finish

Raynor's ColorWave™ features Sherwin-Williams® next generation post paint system for your garage door. With 1,500 colors to choose from, home and business owners can couple this elite paint system with state of the art Raynor manufacturing to craft the perfect look for their home or project.
