Anodized Finish Options

ArmorBrite™ Color System

Choose from over 188 Raynor ArmorBrite™ colors.

Raynor StyleView Narrow Profile - Single Car

Glass Options

Low-E Glass Also Available

Low-E glass is the solution for long-term exposure to high temperatures by allowing full visibility, while providing a barrier from the sun. Low-E glass is only available for Raynor StyleView doors with insulated glass.

Glazing options range in a variety of colors and thickness including: 1/8", 3/16", 1/4" and 1/2" insulated.

See below for glass options.

Custom Millcreek

Hardware Options

EnduraCote™ Options

For a clean, finished look and maximum protection against rust, Raynor StyleView™ doors are available with a powder coated hardware system. The EnduraCote™ Hardware System features extended-life torsion springs and powder coated hardware. Nylon rollers with steel ball bearings also help to provide superior noise reduction.

Track Options

Galvanized (Standard)
White
Black

Raynor Prodigy™ II with WiFi® - Offering Space-Saving Operation

Space saving and heavy lifting, the Raynor Prodigy II with WiFi is the ultimate garage access solution. This opener comes fully equipped with must-have features including built in WiFi for smartphone control, MyQ® Remote LED light, integrated battery backup, and the automatic garage door lock.

Raynor Sentinel™ - See What Matters

Sentinel is built with an integrated HD camera which lets you see who is coming and going in your garage through a live feed on recorded event. Recording begins when motion is detected, even at night thanks to built-in night vision. Want to talk to anyone you see in your garage? This opener is also equipped with 2-way audio for real time communication. Ensure your family and possessions are safe and secure with a reliable garage door opener that's simple to use, dependable and myQ® connected.

Professional Installation and Service

Depend on your Raynor Dealer

When you select Raynor, you're not just getting a superior garage door - you're also getting professional garage door installation and service expertise.

Every Raynor garage door is installed by a trained Raynor professional, and that means added benefits for you. First, you won't have to deal with it yourself. Second, because it's done right the first time, your door will deliver performance and reliability from the day it's installed. Your technician will check your door for everything from safety to performance and appearance. Trust your Raynor garage door to someone who knows it better than anyone else, your professional Raynor Dealer.
